

Phosphoric acid

Assignment Packet Physical Science - Chapter 9 Solvents, Acids & Bases

Name _____
Period _____

Directions:

- All parts of this assignment packet must be turned in on the day of the test or it will be counted late. Late work is graded down one grade (10 pts.) for each day it is late.
- Leave a space between each section and label each section on your paper.
- Do not use the backs of papers.
- Place the correct heading on each packet and on the title page.
- Place all the papers in the proper order (the order shown on this page, place this sheet on top and staple them together in the upper left hand corner).
- Circle the numbers on this page of the assignments that you have completed.

Sulfuric acid

All of the following work is required. Completing it accurately is worth 80 points.
